C13 BEAN BAGS

Reduce camera shake and sharpen your wildlife and bird pictures. Use on cars, rocks, posts etc.

Can also use on top of camera/tripod to reduce vibration.

Made in proofed Realtree Xtra pattern, All Terrain Pattern, camouflage pattern, olive green, khaki (sandy brown) or desert (not proofed), plain white and all purpose snow.

Filled Bean Bag - Liner **filled** with inert plastic beads.

C13.1F	1 Kg filled	25cm x 19cm (approx sizes)	(10" x 7.5")
C13.1.5F	1.5 Kg filled	30cm x 23cm (approx sizes)	(12" x 8.5")
C13.2F	2 Kg filled	33cm x 24cm (approx sizes)	(13" x 9.5")

Unfilled Bean Bag - with velcro opening.

85g (this is an average weight to cover all sizes).

Ideal for traveling light, can be filled with rice, beans or corn.

I have also used mixed bird food as an alternative.
