D12 REVERSIBLE RUCKSACK COVER

Waterproof, lightweight, elastic fit. All Terrain Pattern, Olive, Camouflage, Blue or Black on one side, day-glo yellow on the other. The day-glo yellow side can be used if the visibility drops. Helps you to be seen by others, or in an emergency when signalling for help. These covers give protection from rain, dust or snow. Ideal for boat trips as it protects the rucksack and zips from sticky sea spray.

D12.1R

Size 1 for rucksacks up to 40 ltr.
Lowe Pro Nature, Mini and Classic trekker.
Lowe Alpine 25 - 35 ltr.
Weight 220g

D12.2R

Size 2 for rucksacks 40 - 70 ltr.
Lowe Pro Trekker AW Range
Lowe Alpine ND 55 + 15 ltr.
Karrimor 55 + 15 ltr, 65 + 15 ltr.
North face galileo 65 ltr.
Weight 250g

When using rucksack in hide or on the ground, use the cover to protect the straps and back panel. Ideal if the ground is wet or muddy. We do make large 100 ltr Bergen covers.
